JASPER PLACE COMPOSITE HIGH SCHOOL

OUR PLEDGE

We hereby pledge that we will uphold the good name and traditions of our school; that we will support its activities in all ways possible; that we will do all that is within our power to encourage the highest standard of character and scholarship; that we will be good citizens of Jasper Place Composite High School, of Edmonton and of Canada.

ORIGIN OF SCHOOL CREST

In 1964, the **Highlights** and **Echo** jointly sponsored a survey of the Grade XII students, members of the first class to complete their high school in the first stage of the new Jasper Place Composite High School. The survey asked the students what they felt were the three words that best described the new school.

The words which appeared most frequently were Progress, Vigour, and words and phrases denoting Tenacity. These, then, were selected as most appropriate to the spirit of Jasper Place Composite High.

The committee, spearheaded by Mr. Mathew, then consulted Dr. Goerzen who gave us the Latin translation for tenacity as **Pertinacia**, vigour as **Vigor**, and progress as **Progressio**. These words are incorporated in the banner line at the bottom of the crest.

Mr. Al. Oeming, owner of the Alberta Game Farm and one of the world's leading authorities on animals, was asked to supply us with the names of the animals which would best depict our chosen characteristics. In consultation with the University, Mr. Oeming gave us the Grizzly Bear for the word tenacity, the Beaver for industriousness (the Beaver is also a Canadian symbol), and the Whooping Crane as the animal showing great progress. When one stops to consider the habits of these animals and their characteristics, one can certainly see that they are excellent choices.

These three animals were to be mounted around a shield upon which were to appear symbols of the purpose of the school. The top of the shield bears the Book of Knowledge; the top right, the Lamp of Knowledge; the lower right the Academic side of our school, and the lower left the Vocational aspect of Jasper Place Composite High School. The Vocational aspect in this instance includes all the Technical subjects including Business Education.

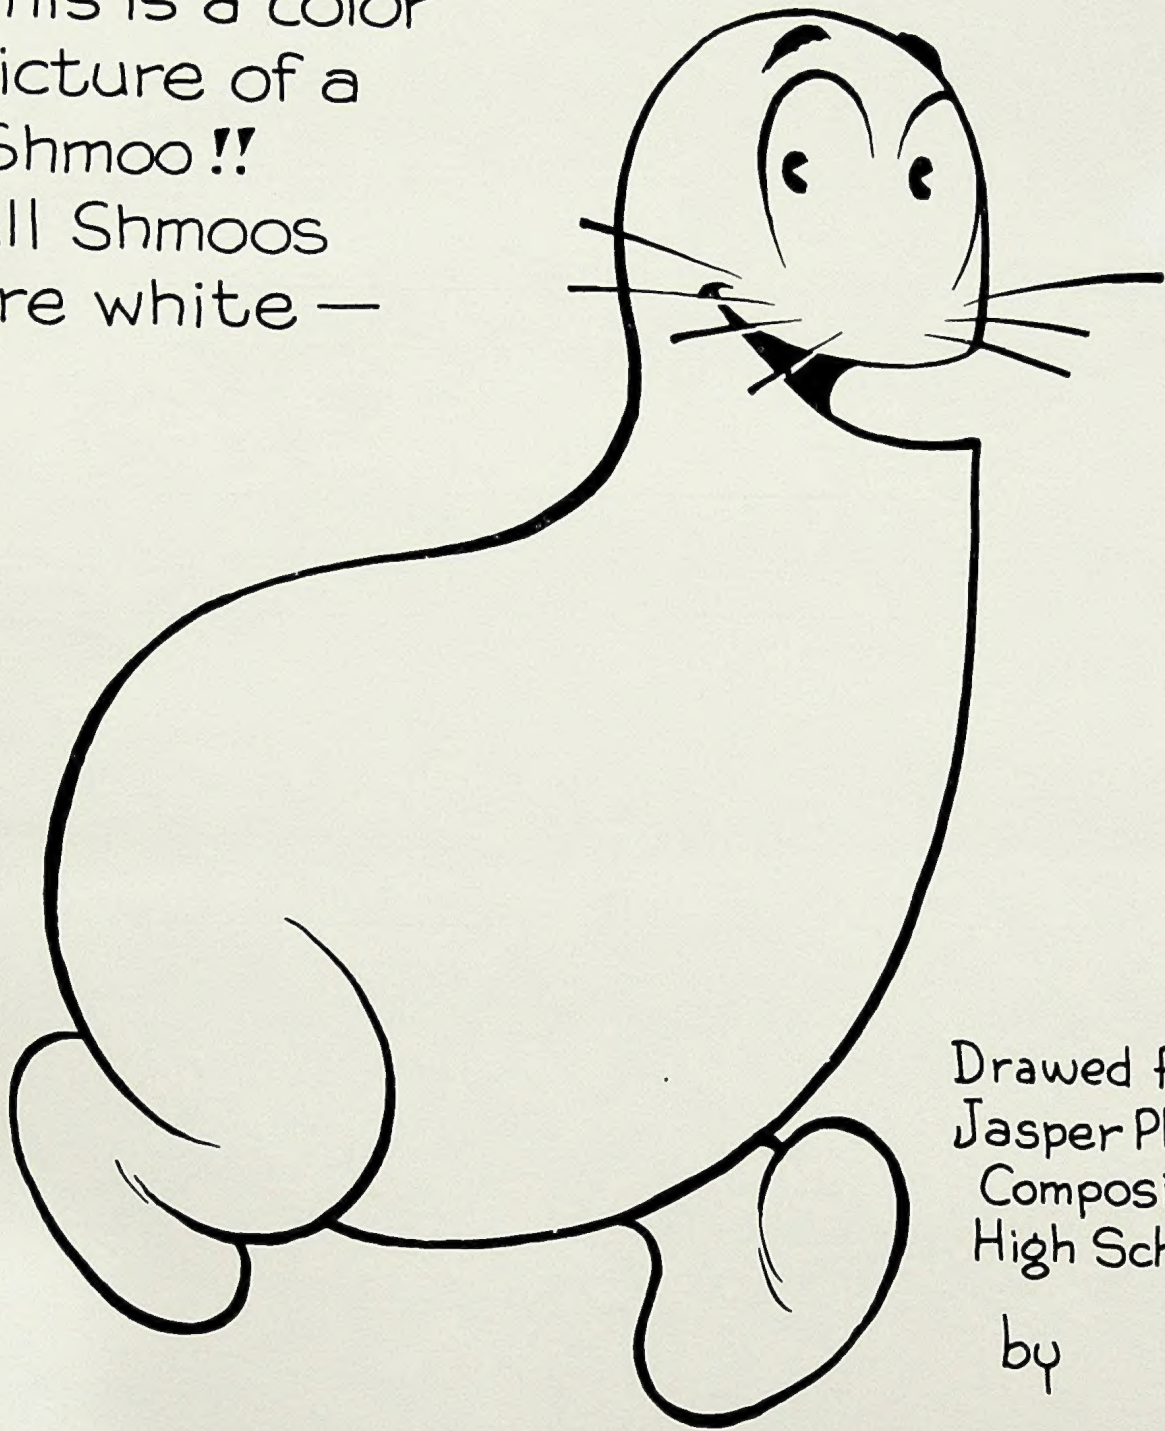

It was the intention to mount the beaver on a crown, the crown to symbolize our past heritage and ties with Britain and our present association with the British Commonwealth of Nations. Permission to use the crown must come from the Queen. Through her agents this permission was sought. Unfortunately our request was refused. We therefore mounted the beaver on another symbol of scholastic achievement, the mortar board.

Around the outside as decoration we chose to place fronds. The official Alberta flower, the wild rose, may be seen at the bottom of the shield.

The colors chosen for this crest include the school colors of red, white and black. The other colors of yellow and brown were added to give the necessary coloring to complete the crest.

DEDICATION

For the past number of years the Echo has dedicated the yearbook to the retiring teachers of the J.P. staff.

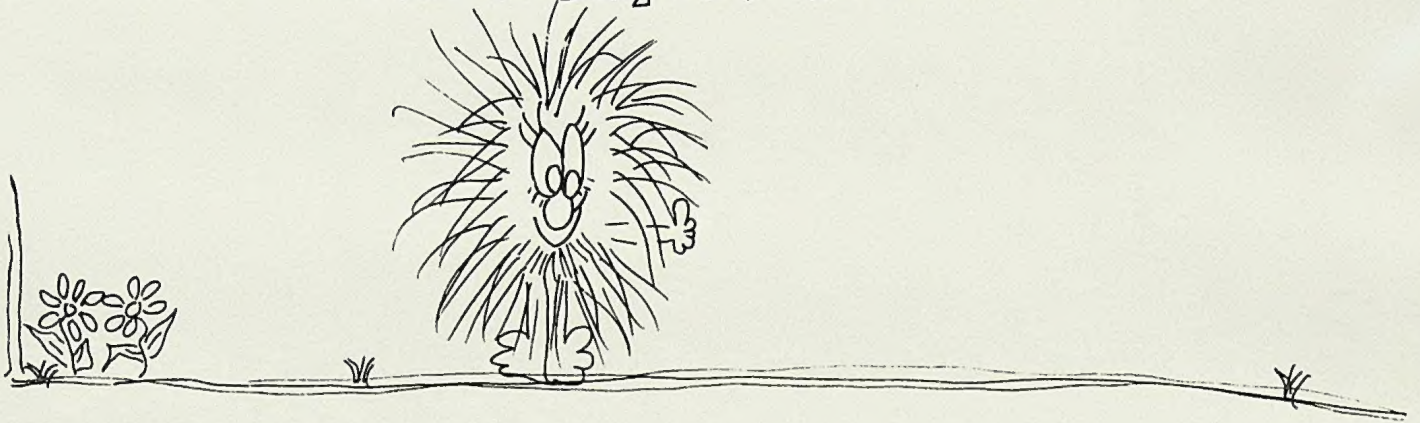

However, this year there are no teachers entering this phase of their life so we thought it would be appropriate to dedicate the Echo to all those teachers leaving the staff for a number of various reasons.

At the time of going to press, the complete list is not known so rather than publish the names and miss someone, we will make it just on broad dedication.

Some of those leaving have been on the J.P. Staff for a number of years, others, perhaps, only a year or two. Regardless of the length of service, you have all contributed to the growth of the students and the school.

Some students will forget you as soon as the doors close in June, others will remember you in future years for many reasons. We all wish you the very best in your new positions and situations and are proud and pleased to dedicate **ECHO 1975** to you.

Thumping down this lonely road
 With no one there to carry my load
 My future plans, they're ahead
 I have no say it's all been said...

I left my heart a few days ago
 She used to love me but it would 'nt show
 But right now I feel so down
 I wonder if I'll reach the next town
 All my life I have been waiting
 There's something inside that just keeps
 on hating
 My mind is open, my mind is wide
 Oh sir, I just missed my ride...

PRINCIPAL'S MESSAGE

MR. E. MEYER

Each year, The Echo, reflects the events of that year in pictorial form. Over the years this will serve as a valued memento of three or four years at Jasper Place Composite High School. Almost impossible to reflect in this medium is the attitudes and values of the current group of graduands. Your qualities were very obvious when you arrived three years ago. Gone were the attitudes of pessimism and defeatism of several years ago. You injected an attitude of optimism, a sense of purpose and an industry which had its impact on the entire school. Continue to reflect these qualities and you shall leave your mark wherever you go.

DRUGS

This world is troublesome,
it always has been,
But drugs do not help it.
You'll see what I mean.
I'll tell you they're deadly.
It won't mean a thing,
As long as you love still
to hear the birds sing.

But think of a person
with troubles galore.
Next day they will be dragging
his body ashore.

He turned to his drugs
thinking "That's a solution."
His body was added
to water pollution.

This is just a story,
in some cases true,
But drugs do not help
the unhappy or blue.

HIM

He left me with
Something more
Yet, something less
Before he went
We were more
Than complete.
We had each other
And even more
Than we ever had
Before.
Before he came
I was alone
Now he's gone
I'm lonely
But far from
Alone.
All that's left
Is a heart beat
Inside and living
and loving.

SENIOR CLASS

This year Senior Class Night was held on June 6, 1975 at the Crystal Ballroom of the Edmonton Inn. The evening included a semi-formal banquet and a dance with music by "The Better Days". Photographs were taken by the school Photo Club. The event was accomplished as a result of the hard work and planning of the members of the Senior Class Council and their sponsor Mr. Fysh.

The theme chosen for the 1975 Senior Class night was "Steppin' Out and Movin' On".

As in past years we would like to invite all the graduating students to return to the school for the Graduation Exercises to be held in the fall. Let's make that a date and a very special event for all of us.

JASPER PLACE COMPOSITE HIGH SCHOOL

SENIOR CLASS NIGHT

Edmonton Inn June 6, 1975

The open rooms are standing here
to honour open minds.
We leave these rooms and memories
and high school just to find;
The world outside is hard and cold.
We long for what we left behind.

But look not into the past,
for the past is gone;
The present is here today,
and the future is tomorrow.

We all must go our separate ways,
for life calls us to our dawn.
The teachers and friends are now all gone;

IT'S TIME FOR "STEPPIN' OUT AND MOVIN' ON".

THIS ROOM IS
A STRANGER

This room is a stranger now.
Sun-paled,
Paper roses dried on cracked
Death-olaster.
I have stood where the Summer's
clarity fell from pinched,
stuccoed windows,
and spread like water on
the wooden floor.
I have seen a woman stand
there,
spilling gardens from her
fingers, gentle and sage.

And I am again a child,
rhubarb in my apron,
the taste of honey
on my tongue.

My nose strains for
the smell of cinnamon bread
and sweet pea.
There is unfinished brocade
lace by her chair.
I have seen it all before
How Spring takes the world
how people love
and then stop loving.

My grandmother once lived
here,
a victim of the season's
robbery
I wish her ghosts would
creep the walls and
make me once again
Familiar.
A licked pebble reveals
salt,
As if the sea came in
erasing the smell of her perfume,
while I slept my
century of fairy-tail sleep.

The house can not commiserate
As I leave,
I have a vision,
and hear laughter that's
not there.

by Sparkle Hayter

When the sunshine leaves
And there's no place to go
When darkness envelops me
And I'm filled with woe

Whenever I stumble
And seem to fall
Whenever I come
To a long dark hall

You're always there
To hold my hand
You're always there
To help me stand

Whenever I feel
Like ending it all
When I want so badly
To her His call

Whenever my world
Is tumbling down
Whenever my face
Carries a frown

You're always there
To hold my hand
You're always there
To help me stand

THE GULL AND I

The plaintive cry of a gull far up
fills me with a wonder;
(and tastes of the forest's green reflections)
of limits in front of me

far back and away . . . fill
me with a wonder; of

"If I can say" (?)

The sun's shadows of warm Sunny
Sundays, in the Wednesdays of my mind
And who else can you blame when you're
the one,

who's at fault (?)

for apologies

you cannot give

When mistakes are all they say
You do . . . then . . . Like the gull, the
only way,

is to get out and show them;
Put up a fight? No, it's fair, not even right
AND we all have our down falls . . . but
When mistakes are all they say
You do . . . then . . . I feel as if I'm the
one who's . . .

. . . crying;

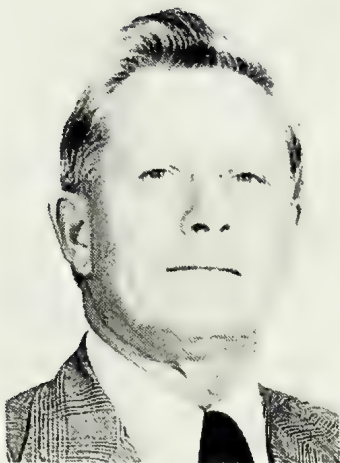

. . . like the Gull.

DRAMA

DRAMA AT J.P. MAINTAINS HIGH QUALITY PRODUCTIONS — MANY TOP RATE STUDENTS WILL BE MISSED

Each year that the Drama Department at J.P. makes plans for the school year, the thought always comes up as to whether or not the standard of excellence in play production will be maintained from previous years. The year 1974-75 was no exception.

Great talent graduates each year and the poor director/teacher is faced with discovering new talent or hoping that somewhere against the grade 10's and 11's someone or, if lucky, several students will rise to the challenge. This year was a bumper crop for the leaders to come forth. Let's review the year in retrospect.

There is no doubt that one of the most ambitious plays to attempt anywhere started taking shape in June last year when casting was set for *THE LADY'S NOT FOR BURNING*. Here is a play that presents more problems than 'greaser day' set in medieval times and loaded with characters, the dialogue of modern free verse and the mood a mixture of comedy and touching tenderness gave each member of the cast incentive to prove their ability — and it won acclaim from all who saw it. For director Kinasewich it became the fulfillment of a life-long wish. For JUDY PEARSON the expression 'break-a-leg' became a reality. But, broken-bone, crutches and all didn't hold this girl back as over half the run was played with a thump-thump-thump. In fact, it added to the plight of the fleeing Jennet which Judy played superbly. We'll say more of this bright person later.

It seems that everything performed in the J.P. theatre this year was more challenging than ever. The Childrens Theatre production of the *WIZARD OF OZ* has to be the most complex of all children plays. Could we do it? Revolving sets, many sets, witches that melt and monkeys that fly were only a few of the technical requirement that had to be accomplished to some degree of finesse. The Drama 30's were up for the occasion and a super fun-time was given to the throngs of elementary children who now expect more of the same each year. CARLA NOLAN and her dog Toto, ARDEN OSBORNE, just loved the thought of creating their journey through the land of Oz every performance. Judging from the letters both of these actors were high on the list of popularity. With the young audiences', everyone in the cast became keyed-up

and great performances were the result. It became the event that brought a class together.

Probably the event that every true-blooded J.P. drama buff consider to be THE occasion, is the High School One-Act Festival held annually each spring. J.P. had a date to keep with destiny as three of the most talented and dedicated people took up the torch from predecessors Bob Birch and Jan Nolan to prove that winning is contagious. The plays were selected with WAYNE HUNTER, GRAYSON SHERMAN and JUDY 'the foot' PEARSON ready and willing to try their hand at directing. The J.P. ONE-ACTS thus became totally student produced. The plays — here we go again — were very challenging demanding and successful. WAYNE got a lot of mileage out of his cast in the modern social comedy — *THE AUTOGRAPH HOUND*. GRAYSON showed a tremendous flair for style in his direction, set and costumes with *THE LABORATORY*. JUDY gathered around her a group of people and started from there. The ideas of all cast members were incorporated into selecting, arranging, blocking, singing and acting a series of poems which turned into a hit. *BUT I MIGHT DIE TONIGHT* became the title and success the result. You had to see this play in order to receive the impact of its message. Great work, gang.

J.P. drama welcomed several notable guests and groups to the theatre. Some of the events were *CITADEL-ON-WHEELS* (twice), and *GRANT MACEWAN COLLEGE DANCE DEPARTMENT*, with classroom guests Tom Wood, Michael Collins and Zoe Alexandre — all professional actors adding their talents and techniques in brief workshop sessions. It should be noted that several J.P. students are constantly being hired by the Citadel as actors and backstage crew, placing a high regard for the drama training program here.

Dramatic production takes more time and effort than most people understand. The students who gave of their time after school, week-ends or evenings must be commended for their discipline and dedication. The final result cannot often be visualized but with students the likes of PEARSON, SHERMAN, HUNTER, NOLAN, MILLS, BENTLY, MADSON, AUDELL, DOYLE, CORSCADDEN, KOCH, BENNER, BAGAN, CONSTABLE, OSBORNE and ROSENZWEIG to name a few — hoe could one miss. To those who are going on to greener pastures — may we wish you well and may your memories of J.P. be made a bit happier from your Drama involvement.

THE HEAD GREASER as it may appear from this Drama photo is taken during Greaser Day. Mr. Kinasewich in lower left corner appears to be expressing a look of bewilderment from the gang, but in fact it was more of a feeling of relief as a result of another very busy year of Drama activities and top quality productions.

JUDY PEARSON as Jennet Jourdemaine and WAYNE HUNTER as Thomas Mendip played the lead roles in the major production of THE LADY'S NOT FOR BURNING by Christopher Fry. Both actors were selected to play these very demanding roles on the basis of their respective talents and dedication. JUDY and WAYNE can chalk up this play as a major achievement in their youthful careers.

THE LADY'S NOT FOR BURNING. . .

A cast full of zanny characters and an endearing theme was what most people will remember of this play. Pictured here are RANDY AUDELL as the judge — Tappercoom, DANNY BAGAN as the gentle Chaplin, JAN MITCHELL as Margaret and BRIAN BRAIDWOOD as mayor Hebbel Tyson. There was a great deal of effort put in by all performers and crew members to make this the highest quality production put on in J.P. in many years.

. . . BURNING

had as its theme 'the need for love in our troubled world?' The plot centered around a bewildered soldier, WAYNE HUNTER back left, who had a death wish and persisted that the mayor perform the hanging; in the midst of the argument a young girl, JUDY PEARSON appears on the scene fleeing from a suspected lynch mob and pleads for asylum. She is suspected of witch-craft and immediatly sentenced to death. The photo shows the two protagonists discussing their plight with the town council 'bugging' the scene. BRUCE BRAIDWOOD, the town clerk, remains sympathetic to Thomas and Jennet.

Somewhere behind all the clown white, wigs and funny clothes are the members of the Drama 30's who provided the Children's Theatre production of THE WIZARD OF OZ. Over 10 elementary schools had an opportunity to see the famous classic of Dorothy played by CARLA NOLAN, centre and Toto, her dog — ARDEN OSBORNE in black, make their way through the legendary land of Oz and encounter strange people. A favorite of children of all ages. This cast can be congratulated for providing exciting and entertaining theatre for old and young alike.

ONE, TWO, THREE. . . PULL!
That's what appears to be the motive behind the three munchkins trying to tug away the silver slipper from Toto. ARDEN OSBORNE as Toto, HEATHER WATSON, DANNY BAGAN and JAN MITCHELL as Munchkins provided loads of laughs with their movement, characters and barking.

A HAPPY BUNCH of characters surrounded Dorothy, CARLA NOLAN. Clockwise from the top we have DOUG MASON, the scarecrow, DAN BENNER, the tinman, ARDEN OSBORNE, toto and GRAYSON SHERMAN as the lion. As each character made their entrance, the children became fascinated at the sounds and desires of the actors. Hundreds of letters and drawings expressing favorite characters were recieved and treasured for posterity.

TAKE THAT, YOU MEAN WITCH!

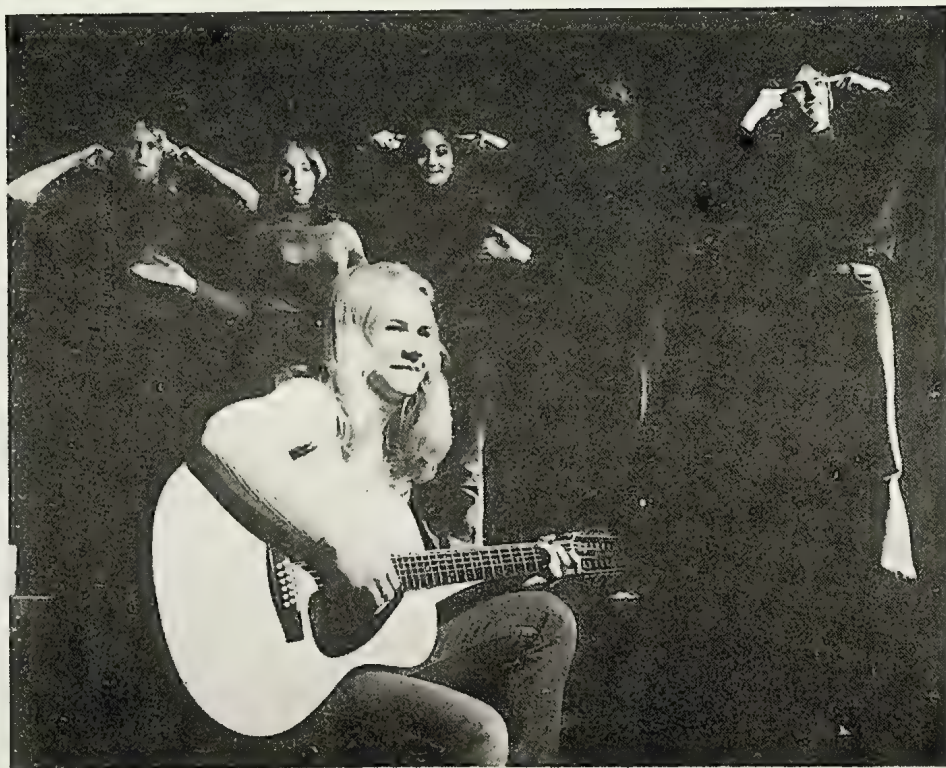

The key to Dorothy's success was in slashing the wicked witch-of-the-west, CAROL CHRISTIANSEN, with a bucket of water (confetti) causing dear old Hilda to melt clean away. CARLA and ARDEN can't believe their eyes. . . neither could the audience who were amazed at the magic of this clever technical maneuver. Thanks must go to MR. LIGHTFOOT for masterminding the sinking floor.

Two people who deserve a lot of credit for the continued success of Drama at J.P. are ARDEN OSBORNE and P.J. ROSENZWEIG, here seen as Toto and the palace guard in the Oz production. Both students worked persistently backstage on other productions providing props for... BURNING and the ONE-ACTS. A memorable moment for both has to be the performance where the gun disintegrated on impact with the floor, but P.J. kept his cool, ad libbed his way out of it, and the show went on.

"BUT I MIGHT DIE TONIGHT" captured the hearts of young and old with its imaginative creation and performance. JUDY PEARSON strummed and sang beautifully the words of Ticky-Tacky, while MARK SMITH, SHAINA GLIENER, CARLA NOLAN, KEVIN GIESE and STU BENTLEY mime the situation to perfect timing. The cast was testimony of the quality of talent and dedication of students of Drama at J.P. The play received unquestionable top rating from all directors in the City ONE-ACT FESTIVAL, and represented J.P. at Banff for the 4th year in succession.

"What would you do if you were told you had only a few months to live?" Probably do as many of the things you had wanted to do but just didn't take the time to do them. This idea became the thread on which the cast of... **DIE** headed by **JUDY PEARSON** left, **STU BENTLEY**, **MARK SMITH**, **KEVIN GIESE**, **SHAINA GLIENER** standing, **DAN BENNER** and **CARLA NOLAN** created their award winning collage. The play mixed humour, pathos, mime and poetry into a touching portrayal of life and the need for reaching out and helping one another — as viewed by the concluding scene above.

THE AUTOGRAPH HOUND by James Prideaux and directed by **WAYNE HUNTER** up centre provided a rare quality of humor and pathos by a fledgling cast of newcomers namely **VICKI FOLEY**, **RANDY AUDELL** and **CAROLYN THORSETH**. In fact, the play was only two points out of second choice after the Festival votes were counted. A really tremendous job by everyone involved. Besides providing excellent entertainment, the play could be marked as the discovery vehicle for some bright new talent of the future.

DR. FRANKENSTEIN and all his helpers. For director GRAYSON SHERMAN standing left, THE LABORATORY became a creation almost equal in proportion to that of the mysterious doctor. Grayson got admirable help from cast and crew shown here back left MILES CONSTABLE, ARDEN OSBORNE, P.J. ROSENZWEIG, DANNY BAGAN, yes that's him, KIM KOCK and KEVIN MILLS while seated in front are RICK BURLEY, HEATHER WATSON, DONALD MADSON and TAMMY TREEN. That looks like Mr. K. standing next to Grayson. The three one-acts were all student directed, designed and produced — a first for any High School probably anywhere.

"GET THAT WOMAN OUT OF MY SAUCE!"

DANNY BAGAN centre, who played the dodering alchemist in 'THE LABORATORY' seems to be telling his house-maid TAMMY TREEN to remove the power-hungry Countess played by KIN KOCH before she gets too many wild ideas. A play of 'intrigue gone bananas' and given a very excellent setting by KEVIN MILLS, the audience was again treated to a fine display of character acting blended with excellent costume and setting design.

It has been said that winning or losing a curling game depends on a matter of inches. This year J.P.'s school team would have to agree with this statement 100%.

In many respects the 1974-75 curling season was the most successful ever for J.P. curlers. After qualifying out of C section in the Christmas bonspiel the rink skipped by Mark Johnson managed to overcome their early loss and made it to the finals of the Canada Winter Games competition in Alberta. An extra end loss to Cruikshank to go on and eventually win the Canada Winter Games curling event for Alberta.

The next major competition was the Edmonton zones and both J.P. teams managed to make the finals. The rink skipped by Gene Axani put up a good fight and finally lost to the Williams rink from Harry Ainlay. Third, Don Gosche, second, Bruce Duvander, and lead Don Cole accomplished quite a feat in making the finals in their first attempt to gain a zone.

Johnson with Gerry Whiteside at third, Bob Robins at second and Gary Campbell at lead defeated Climenhaga from Harry Ainlay and along with Williams represented Northern Alberta in the Alberta Championships in Calgary. Once again the game came down to last rock and J.P. dropped their first game to Paul Gowsell from Calgary. Gowsell had an easy time from that point on and qualified to represent Alberta in the Canadian Championships. Johnson and his rinkmates were awarded the runner up trophies and joined the other Alberta teams who cheered Gowsell on as he captured the Canadian High School Curling Championship here in Edmonton.

And so curling takes a breather until next Fall when J.P.'s curlers will take up their brooms and challenge all opposition. Next year just may be our turn!

Fourth Row (L. to R.): Len Karren (Coach), Dale Hymanyk, John Gorachmal, Randy Ries, Don Benner, Gord Tanner

Back Row (L. to R.): Gid Holland, Brent Murray (Manager), Gary Trarback, Ron Janzen

The 1974 Senior Rebel Football team finished fourth in their league. Although the offence had difficulties in developing consistency in scoring, the defence was one of the best in the league, responsible for keeping the rebels competitive against all their opponents. Following the completion of league play the Rebels met and defeated Kamloops Senior High School who placed second in their league. With the return of many 74 rebels, the '75 team should prove to be stronger and yet more successful.

JUNIOR REBELS' FOOTBALL

Front Row (L. to R.): Greg Patterson, Gary Fischer, Craig Barubash, Rod Homeniuk, Mat Boiko, Doug Kirillo, Gary Campbell, Larry Ziegler, Al Semenchuk, Larry Zeitner, Barry Shaw (trainer)

Second Row (L. to R.): Bob Marshall (Coach), Ken Kuehn, Rudy Schmidt, Brian Ingram, Ron Bailey, Calvin Earnshaw, Barry Robinson, Stewart Burritt, Harry Barum, Dan Allen, John Sikora, Neil Schultz, Bob Johnstone (Equipment Manager)

Back Row (L. to R.): Rick Butler (Coach), Rick Pemaine (Coach), Dean Meek, Bill Cooper, Logan Sawchuk, Greg Glover, Doug Cook, Brad Miller, Mike Sawatsky, Buddy Lawson, Jim Sikora, Gord Olsen, Gord Scott, Brian Wilkes (Coach)

The Junior Rebels were without question one of the strongest and most powerful teams ever assembled at Jasper Place. They went through their season undefeated and scored a record 307 points in eight games while allowing the opposition to score only 61 points.

The Rebels met and defeated Bonnie Doon in the semi-finals 13-7 thus advancing to the City Final against Harry Ainlay. The Juniors had very little trouble as they defeated the Titans 27-6.

It was a very satisfying year for both the players and coaches. With some key players returning next year, the '75 - '76 edition of the Juniors should again prove very competitive.

Outstanding Back — Bill Cooper

Outstanding Lineman — Craig Barabash

Most Under-rated Player — Buddy Lawson

SENIOR GIRLS' VOLLEYBALL

CITY AND PROVINCIAL FINALISTS

Front Row (L. to R.): Carol Christiansen, Jackie Betts, Patti Christiansen, Cindy Moro

Back Row (L. to R.): Mrs. J. Davis, Shelly Betts, Dianne Halkow, Marilyn Kachuk, Karen Zaitchuk, Monica Zeiper, Janice Betts

The 1974 Senior Girls Volleyball Team had an exciting and interesting season. The girls were trying a new system and with a lot of hard work were able to put it together to place 2nd in the city behind Bonnie Doon. Prior to this the team took 2nd in the Stettler Invitational Tournament. The Senior Team played hard to get where they are and next year with the grade 11's back and the Juniors coming up — it's going to be an exciting season.

JUNIOR GIRLS' VOLLEYBALL

Front Row (L. to R.): Pam DeGraaf, Bev Brown, Sharon Sides, Laurie Leach, Kelly Currie

Back Row (L. to R.): Angie Meyer, Marge Berger, Evelyn DeJong, Sharon Krause, Jodi Burrows, Mrs. D. Schimmel

The Junior Girls Volleyball Team this year worked very hard to use an advanced volleyball system in their game plan. They improved their volleyball skills and team play considerably throughout the season and made it to the quarter-finals.

The Junior Team consisted of nine Grade 10's and one Grade 11. The girls' experience gained this year will be a great asset to the Junior and Senior Volleyball Teams next year.

SENIOR BOYS' VOLLEYBALL

Front Row (L. to R.): Grant Glowicki, Rick Hart, Don Gosche, Pat Johnson

Back Row (L. to R.): Dave Stevenson (Coach), Kent Kates, Dale Hohnstein, Dennis Bugiak, Kevin LaBranche, Renate Seide (Official), Mr. VonSchilling

This is the time of the year, where the coach reflects upon the performance of his other team, with regard, to the season just completed.

In this case, it is the Senior Boys Volleyball Team and their coach Dave Stevenson. The performance this year was not bad, considering that five of the starting six were cut, due to a "drinking" problem. We lost a possible provincial playoff position, and along with that your height advantage of over a foot. I feel we did, however, gain a bigger victory, that being team moral and a willingness to keep on playing volleyball from the remaining players.

From a 5th place finish in the geographic section, we entered the "B" divisions; we were 2nd in "B", but bowed out gracefully in the playoffs, fighting to the end. We were invited to a Stettler Tournament and showed we could win if we had to, and found out what fan support can do to a team.

I am full of admiration and appreciation to the eight players who made it a volleyball season, if not there would not have been a season.

I do hope, however, that no further incidents of this nature will ever occur to any other team, that which beset the Senior Volleyball Team this year.

JUNIOR REBELS' VOLLEYBALL

Front Row (L. to R.): Scott Fairbanks, Les Cirka, Dave Kisser, Bob Butt

Back Row (L. to R.): Dale Cocks (Coach), Al Hutt, Charles Papenhuyzen, Robert Vledder, Gary Baker, Pat Krisa, Mr. K. Wouters (Coach)

The Junior Volleyball Rebels were in contention throughout the season. In the geographic round a 20 win, 8 loss record enabled them to finish second. In the ability round a 17 win, 11 loss record enabled them to finish third, thus advancing to the city quarter finals. In the quarter finals they lost to eventual city champion, M. E. LaZerte.

SENIOR GIRLS' BASKETBALL

Front Row (L. to R.): Renate Seide, Cathy Barker, Linda Morgan, Rose Hawe
Middle Row (L. to R.): Jan Mitchell, Shelly Hein, Carol Christiansen, Tammy O'Neil
Back Row (L. to R.): Monica Zieper, Angelika Meyer, Miss Schweitzer, Sharon Johnston, Karen Zaitchik

This year's Senior Basketball team was quite an experience. Injuries plagued them throughout the season starting from the very first game. As soon as one person's injury healed, another occurred. There were times when there were only 6 or 7 people able to play. The team showed they were very strong from the beginning and continued to show this quality throughout the season. They went through the geographical round undefeated and, despite all the broken fingers, sprained ankles, and torn ligaments, progressed into the quarter finals. They won their first game in the quarter finals, but then lost in a close game to St. Joe's.

Special thanks to Miss Schweitzer who did a great job of coaching, injuries and all!

JUNIOR GIRLS' BASKETBALL

Back Row (L.to R.): Coach DeKlerk, Rob Speers, Kevin Dotinga, Charles Papenhuyzen, Darryl Kay, Dave Brown, Rick Paswicz, Stuart Young

The J.P. Rebels had another successful year in '74 - '75. The year began with a rookie laden club as only two members of last year's team returned. However, the crop of Juniors was excellent and J.P. began its season fast. It won its first six games to place it in the First Division in the Ability round. We then went on a losing streak for six games. However, at the end of the season the team began to play well and only lost out to Harry Ainlay in the quarter finals of the city championships. Hopes for next year lie with the present team as all but one member is expected to return.

JUNIOR REBEL BASKETBALL

Front Row (L. to R.): Dennis Williams, Brian Lange, Bob Butt, Mark McFarlane, Rick Hart, Phil Nyberg
Back Row (L. to R.): Scott Fairbanks, Barry Robinson, Paul Barret, Ken Speers, Leo Bogun, Colin LaRiviere, Ken Kuehn, Roger Inkster
Missing: Garth MacBeth (Coach), Keith Bowes (Coach), Bob Black

The 1974-75 edition of the Junior Rebels began with high expectations for a repeat performance of the previous years: 2 years City champions plus an undefeated streak extending over the two previous years. But this year did not end up as a replica of last year's.

Inexperience and a lack of hustle at key times marred the Rebels attempt at a successful defense of their championship. After 53 consecutive wins, McNally ended their skein with a victory over the Rebels at J.P. in January. McNally also ended the season by handing the Rebels a heart-breaking one-point defeat in the first-round playoff game at McNally.

On the whole, a good effort was exhibited by the team.

BADMINTON TEAM

Front Row (L. to R.): Sonia Youezwa, Patti Christiansen, Dave Romalo
Back Row (L. to R.): Mr. Gwilliam (Coach), Karen Zaitchik, Tom Backe

J.P.'s Badminton Team didn't fare quite as well as last year. They placed 3rd in the West Division.

GIRLS' GYMNASTIC TEAM

Front Row (L. to R.): Patti Christensen, Diane Walker
Back Row (L. to R.): Candy Eilertson, Joanne Sparrow, Teri Savoie
Missing: Lisa Gliener, Carmen Francey, Janice McRae

The gymnastic team consisted of eight girls. There were three meets to determine places on the City team. Jasper Place had six girls qualify. They did very well, taking 1 gold, 2 silver and 1 bronze. the gymnastic Provincial was held at Jasper Place. Three of our girls represented Edmonton. They placed 3rd, 4th, and 5th. The team lacked in quantity this year, but the quality was excellent.

WEIGHTLIFTING CLUB

Front Row (L. to R.): Shaun Billington, Dean Meek, Jim Czelenski
Back Row (L. to R.): Mitch Lanuke, Peter Rodweik, Gord Tanner

The 1974 - 75 weightlifting club did very well considering that they trained on their own and only had 7 competing members. In the power-lifting event they placed second in the city. Mitch Lanuke placed first and was voted top lifter in the city. Dean Meek and Jim Czelenski also won firsts. In the olympic event the team won the City Championships with only four competing members. Peter Redwiek, Dean Meek and Jim Czelenski won first place honours. Shaun Billington also placed first but was disqualified on a technicality.

SWIM TEAM

Front Row (L. to R.): Barb Free, Sheri Free, Cathie Smyth, Monica Zieper, Shelly Hein, Mike Cook, Ron Janzen, Dan Pryma
 Second Row (L. to R.): Doug Cathro, Ann Nelson, Sandra Seath, Angelika Meyer, Alison Macalister
 Third Row (L. to R.): Jody McDonald, Sue Biggs, Linda Berger, Julie Strautman, Sue Crowther, Karen Hoffmann (Girls' Captain)
 Fourth Row (L. to R.): Doug Speers, Bryan McNeil (Boys' Captain), Jan Larsen, Heather Sjulstad, Jenny Tweedle, Karen Zaitchik
 Fifth Row (L. to R.): Mr. Speakman (Teacher-sponsor, Coach), Wayne Hunter, Rial Christensen, Rob Nagtegaal, Peter Heudorf, Chuck Hoffman, Alex Armstrong
 Missing: Brenda Holmes, Marilyn Kachuk, Denise Nelson, Leslie Preston, Debbie Sargent, Cathy Webb, Sparkle Hayter, Karen Kramp, Renate Seide, Joy Speakman, John Austin, Kevin Cumming, Bruce Cumming, Greg Curtis, Brad Forsberg, Jim Kumpula, Brian Granlien

The J.P. Swim Team had another great year ending off the season in its usual good form. The girls' team won the M. E. McKay trophy for the 4th time in 5 years.

The boys lost the T. D. Baker Trophy by a scant 31 points to Harry Ainlay. This is the first year in seven that J.P. has not won this trophy.

For the sixth consecutive year the James Crockett Aggregate Trophy came home to J.P. with a total of 1791 points.

The R. A. Routledge Award for the most improved team went to Eastglen.

Thanks go to the teams sponsors, Mr. Speakman, Mrs. Smith and Mrs. Lock and captains Karen Hoffman and Brian McNeil.

SENIOR SOCCER

Second Row (L. to R.): Monty Rusk, Tom Ryden, Ralph Schmidt, Lance Walbaum, Jim Czelenski, Bob Norris, Mr. Gerritsen (Coach)
Third Row (L. to R.): Glen Gadowsky (Manager), Dennis Barthel, Mickey Hoffman, Rudy Schmidt, Chester Wittenbecher, Larry Pipke

The Senior Soccer Team is having a very successful year. Team spirit and morale is excellent and the boys are confident to win the league championship. The calibre of play has been improving steadily. Because of the early start in training the team is well conditioned and should reap the benefits by taking the title. The team has a lot of fun playing and everyone is really enjoying the season. With an improved fan support and general school interest the future J.P. Soccer Teams are going to be powerful enough to play in the premier league.

Rugby at J.P. began its first season on competition this year. Enthusiasm was high while game experience was low. Four games were played and J.P. ended up with a record of 0-3 at the time of writing. Everyone who came out played and the emphasis was on exposure and enjoyment rather than one expertise and winning. A good time was had by all.
